

Change the registration number on your parking permit

Parking permits in Strömstad Municipality allow a **maximum of 3 different registration numbers**. Once you have used 3 different numbers, you cannot add a new one, only switch between those already used.

1. Log in on: p.stromstad.se

2. Then go to “My Account” and click on “View and change active parking permits”

3. Click “View/Change” on your parking permit and then update your registration number.
